

Questionnaire for Solar Electric (PV) System Owners

Location of your Solar Electric System:

City/Town: State: Zip Code:

Questions About Your Solar Electric System. Please answer as many questions as you can:

Year your system was installed: Total Cost of Your System: \$

Did you receive a tax credit or incentive to install system? If so, please list amounts:

State Rebate: \$ State Tax Credit: \$ Federal Tax Credit: \$

PV Panel Manufacturer (i.e. Evergreen): Model (i.e. EV180):

Does a revenue meter record the kWh generated from your PV panels? Yes No

Rating of your PV system in watts (i.e. 3,000): Watts

How many kilowatt-hours (kWh) does your system produce each year? kWh

What is the average amount of hours of peak sun you receive each day? Hours

Who installed your system? Name & location of company:

Are you pleased with your installers work? Yes No

Would you recommend your installer to others? Yes No

How would you rate the performance of you system?

Excellent Very Good Good Fair Poor

Knowing what you know now, what would you do differently?

1.
2.
3.

Has your system ever stop working? If so, please list reason for each occurrence & the repair cost. Identify if the system repairs were covered by the equipment or installer's warranty:

	Reason for system failure	Cost	Covered by Warranty?	
			Equipment	Installer's
1.	<input type="text"/>	<input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>
2.	<input type="text"/>	<input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.	<input type="text"/>	<input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>

Questions About Your Inverter. Please answer as many questions as you can:

Inverter Manufacturer: Is your system grid-tied? Yes No

Inverter Model: How many inverters do you have?

Does your inverter have web based monitoring capability? Yes No

If you use batteries, please answer as many of the following questions that you can. If you've added to or reduced the size of your battery bank, the following questions refer to your current battery bank:

Battery Manufacturer:

Model: Part Number:

What type of batteries do you have? Flooded Cell Sealed

What is the battery capacity in Amp-hrs or kWh: Amp-hrs kWh

How would you rate the performance of you battery bank?

Excellent Very Good Good Fair Poor

Questionnaire for Solar Electric (PV) System Owners

Questions About Your Renewable Energy Credits (RECs):

Do you currently sell your RECs?

Yes	<input type="checkbox"/>
-----	--------------------------

No	<input type="checkbox"/>
----	--------------------------

If so, how much per kWh:

\$0.	<input type="checkbox"/>
------	--------------------------

If you're not now selling your RECs, would you consider selling them thru BEE Co?

Yes	<input type="checkbox"/>
-----	--------------------------

No	<input type="checkbox"/>
----	--------------------------
